Helpful Information

CUSTOMS REQUIREMENTS: U.S. & Canadian citizens need proof of citizenship - passport or birth certificate - for entry. With these, you may visit the British Virgin Islands as well. Visitors from other parts of the world need a passport and U.S. visa to enter. Those who stay less than 6 months in the British Virgin Islands need only a passport and a return/onward ticket. If you have a passport issue while you are here, go to the police station for guidance. There is a Passport Office located in the Nisky Center on St. Thomas - call (340) 774-4024.

CUSTOMS ALLOWANCES: No sales taxes in the VI! Each visitor has a duty-free allowance of \$1600 when returning to the U.S. from the USVI. This is the highest allowance in the entire Caribbean, so make important purchases here! You may have 6 bottles of liquor per person, if one bottle is produced in the VI. Due to TSA regulations at press time, you must place your liquor purchases in your checked luggage when flying from the Virgin Islands.

MAIL: Need to ship extra purchases home? The USVI use the U.S. postal system at the same postage rates. You can mail an unlimited amount of locally produced goods back to the U.S. which does not count toward your duty-free allowance (Federal and local postal regulations do apply).

ELECTRICITY: The electrical current in the Virgin Islands is the same as the U.S. mainland: 110 volts AC.

WATER: Most visitors drink the local tap water with no harmful effects. Those with more delicate stomachs should stick to bottled water.

TIME: The Virgin Islands are on Atlantic Standard Time and do not observe daylight savings. In the summer, the Virgin Islands and the East Coast of the U.S. are on the same time. In winter, when it's 5pm in the Virgin Islands, it's 4pm in Miami (and cruise ship "shiptime")

CURRENCY AND CREDIT CARDS: The U.S. dollar is used here. Major credit cards are accepted in most establishments. There are no foreign surcharge on your purchases.

TELECOMMUNICATIONS & INTERNET: Try Beans, Bytes and Websites in downtown St. Thomas or Connections on St. John (Cruz Bay and Coral Bay) for internet access and to purchase phone cards.

ADDITIONAL WEB RESOURCES: These island specific sites have useful information, links, articles, maps, photos, and live interactive webcams to help you plan a great stay in the USVI.
